

On April 22, 2016, the Commission on Institutions of Higher Education approved the sale of Glion Institute of Higher Education to Eurazeo. In approving the change of ownership, the Commission applied its Program of Special Monitoring to the College. The Program of Special Monitoring is routinely implemented by the Commission in cases of change of ownership and enables the Commission to monitor the institution's ongoing compliance with the *Standards for Accreditation*. Further information about the Program of Special Monitoring is available on the Commission's website (<http://neche.org/>) or upon request from:
